

Combi Satellite

Healthy School Food Merchandiser

Deliver it All from One Machine!

Dispense refrigerated **AND** frozen foods from the same machine. Sell nutritious school meals, milk, yogurt, cheese, sandwiches, salads, whole fruit and frozen treats.

Features

- **Two machines in one.** Refrigerated foods from the top ice cream and other frozen foods from the bottom
- **Add on to your snack merchandiser and expand your offerings** with dairy, fresh fruit, salads, and frozen foods
- **New LED lighting** enhances product presentation, requires no service for a minimum of **5 years** and reduces lighting energy costs by **40%** over fluorescent equipped models
- **New school lunch POS integration** enabling students to make healthy purchases without cash when attached to host merchandiser
- **Space saving!** Only 22" wide.

Full Range of School Vending Machines for Profit & Health.

Vend-ucation The choice for...

Healthy & Profitable school self-op vending, **Customized** to the very unique requirements for School Vending.

Combi Satellite Healthy School Food Merchandiser

Two Separate Food Zones
Vend refrigerated foods from the top zone at 36°F and frozen deserts at -15°F from the bottom.

LED Lighting Equipped
Enhances product presentation promoting more sales. No bulb servicing for 5 years. Energy efficient and eco friendly.

iVend Guaranteed Delivery System
Keeps customers satisfied and reduces service calls for misloaded product.

Optional Tray and Helix Configuration
Single and Dual Helix configurations allow great flexibility in package dispensing.

Accepts Coupons
Supports scholastic improvement by accepting special coupons for free healthy drinks and snacks to improving students.

Multiple Points of Interface

Attaches to MAX or Mercato merchandisers for full use of the interface of your choice.

CREDIT, DEBIT & MAG STRIPE ID CARDS

BIOMETRIC (FINGERPRINT) READER

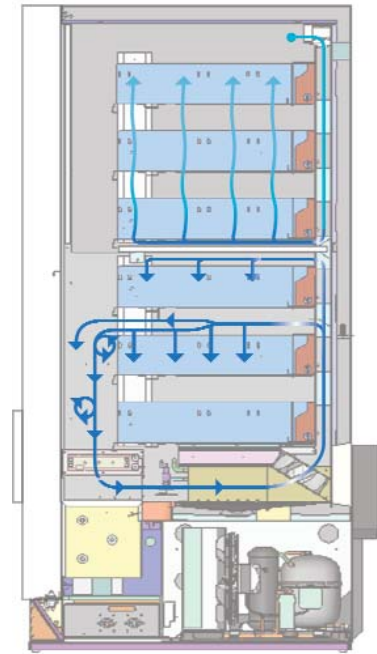

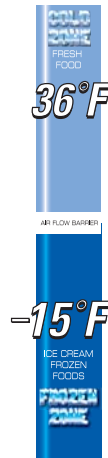

(PIN) PERSONAL IDENTIFICATION NUMBER INPUT

PROXIMITY CARD READER

Patent pending air flow design promotes zone controlled temperatures for refrigerated and frozen foods.

Add cold and frozen food to your snack vending for minimum cost and space.
